Doctors sent to Post Graduate courses.

*Q.—383. Sri K. H. RANGANATH (Mudigere).—

Will the Government be pleased to state :—

(a) the total number of doctors that were sent to Post-Graduate courses in various subjects to various Universities in India including the Mysore University and to Foreign Countries by the State Government during 1961-62, 1962-63 and 1963-64 (subject-wise list to be furnished);

(b) Total number of applications received for this purpose;

(c) The criteria fixed for selecting the candidates to Post-Graduate Courses in various subjects and the Committee that was entrusted with the work of selection during 1962-63 and 1963-64 ?

A.—Sri K. NAGAPPA ALVA (Minister for Health).—

	1961—62	1962—63	1963—64
(a) Within Mysore State ...	38	33	31
(b) Outside Mysore State in India.	27	37	17
(c) Abroad	24	14	16

Subject-wise List is enclosed herewith.

(a) Within Mysore State ...	108	131	119
(b) Outside Mysore State in India and abroad.	...	...	114

(c) The criteria is merit, academic as well as service records and aptitude of each candidate in the subject chosen to make the deputation purposeful.

Before 1963-64, there was no regular method of selection of candidates for Post-Graduate studies. But as and when applications were received, they were considered on individual merits. However, from 1963-64, a regular Selection Committee has been formed and applications are called for twice a year.

Statement showing the number of Doctors sent for Post Graduate Studies Abroad during the years 1961-62, 1962-63 and 1963-64.
